My dear Doctor:

Please accept my  
most hearty thanks for  
your kindness in sending  
the tapestries to Mr. Benson.  
I would have called on you  
personally last Saturday -  
but was suffering from a chill  
and had to leave my office  
before its usual close.

Dr. Barber,

My dear Doctor:

If you do not think  
that the art committee will  
purchase my two tapestries  
I would greatly be obliged to  
you if you would send them  
by Express to Mr. Geo W. Benson  
390 Main st. Buffalo, N.Y.

I really feel quite awkward  
in having to ask such favor  
of you, thus trouble you with  
my own affairs - but as the  
pieces were placed in the gallery

by an untrustworthy person -  
I must appeal to you for getting  
them out again, for which trouble  
I thank you most heartily.

The exp[ense]age will be  
paid at the other end by  
Mr Benson. It would be well  
to put \$300 value on them in  
order to insure careful handling.

On Wednesday next I shall  
personally thank you for  
your trouble.

Very truly yours

 Farthest North" in the Corcoran  
 Art Gallery pending its purchase

desires the alluviation of consigning  
it to your building.

The subject is one of National pride  
and interest and is well worthy of  
a place in any gallery. It repre-  
sents a scene at the farthest northern  
point attained by the Lady Franklin  
Bay Expedition. At which time they  
whistled from England an honor  
which she had maintained for  
nearly three centuries - The most  
northern point on our globe.

Trusting that this matter will  
receive your most favorable  
consideration,

I am,

Very truly yours

Gentlemen

I have just completed a large Historical Oil Painting, 7 $\frac{1}{2}$  feet high, by 10 feet long, representing, the "Farthest North," attained by Lieut J. B. Lockwood & Sergeant (now Lieutenant) - D. L. Brainard, U. S. A. members of the Lady Franklin Bay (Grizzly) Expedition. The figures are life size, and portraits, the work has been perfected from fourteen months study and application, from conversations, journals, and sittings from the survivor, Lieut D. L. Brainard, U. S. A. and is intended for either the Capitol, War Department, or elsewhere, and for which, an appropriation is to be expected, till then, I would most respectfully beg to be permitted to hang it in the Gallery, or most convenient space, the expense of hanging will be defrayed by me.

invitations will be issued to the most interested.  
I take pleasure in referring to General  
Hazen, Commodore Schley, U.S.N. Capt A. W. Gauly

Recd Nov. 3 Curator.

Dear Sir.

Your first Card of the 25<sup>th</sup> ult. was duly received, informing me, that the Trustees "will be glad to receive the Heart Echo," which, from its merit, I hope, will affect them as pleasantly, as it does me, (paradoxical as it may seem.)

My family, just now, is in the throes of moving from our Country, to our city residence, which delays my sending the picture at once; Thus the frame, from its migrations from the "Salon" to Philadelphia & here, is in need of patching up, so I shall be obliged to delay sending, to attend to its requirements. In the meantime, let me thank you, for defining the difference between "Permit" and "glad to receive" & pleasantly, to the father of the young Artist. Your respectfully, S. H. Pearce.
